

UVic Retirees Association

Volunteer Staffing report to 2013 AGM

There are approximately 25 office volunteers with the UVRA.

The office is always attempting to recruit more members for volunteer duties. It is not always an easy task to find new volunteers. However, of members who have recently joined, four have offered to serve as volunteers in the office.

The volunteers are an integral and invaluable asset, bringing various skills to the office. The UVRA appreciates their time and dedication.

Respectfully submitted,

*Sharon Crumly,
Coordinator of Volunteers*
