

REPORT ON UVRA OFFICE VOLUNTEER STAFFING

There are currently 23 regular office volunteers. The office is staffed by a volunteer from 1:30 to 3:30 every regular work day. The volunteers answer the phone, pick up and open the mail, enter event registrations, and assist with mail-outs and other office duties as required. We couldn't run the office without them.

Our goal is to continue to increase the number of volunteers in the future. So, we always welcome new volunteers.

I wish to thank all of the volunteers who devote their time to keep the UVRA office operating smoothly.
