Tuesday October 10th

7 - 9 PM

Public Art Opening

Come join with us to celebrate the gallery opening and to acknowledge the deep losses we have experienced in this community to overdose. Experience art work that has been created by and to memorialize, honour and remember those we have lost. Curators will be on hand to share about the pieces and you will have a chance to create something to add to the space. Food and sparkling beverages will be served to feed both belly and soul. For more info please email marions@uvic.ca

HeART Space is located on the territories of the Songhees and Esquimalt Nations. It is a ground floor venue with 2 steps leading up to the gender neutral washroom.
