

Date: January 2018

Name: STOCKWELL, Timothy Richard
Faculty: Social Sciences
Department/School: Psychology
Research Centre: Canadian Institute for Substance Use Research

1. DEGREES AND DIPLOMAS

Degree	Field	Institution	Year Granted
B.A. (Hons.)	Psychology & Philosophy	Oxford University	1975
M.A. (Hons.)	Psychology & Philosophy	Oxford University	1979
Ph.D.	Substance use and addiction	University of London	1979
M.Sc.	Clinical Psychology	University of Surrey	1980

Theses:

M.Sc.
 "Phobic States and Alcohol Dependence"

Ph.D.
 "The Nature and Measurement of the Alcohol Dependence Syndrome"

2. POSITIONS HELD PRIOR TO APPOINTMENT AT UNIVERSITY OF VICTORIA

1995 - 2004	Professor, Faculty of Health Sciences, Curtin University, Perth, Western Australia, Australia
1998 - 2004	Director, National Drug Research Institute, Curtin University, Western Australia
1995 - 1998	Director, National Centre for Research into the Prevention of Drug Abuse, Perth, Western Australia
1988 - 1995	Deputy Director, National Centre for Research into the Prevention of Drug Abuse, Perth, Western Australia; and Associate Professor, Curtin University, Western Australia
1986 - 1988	Principal Clinical Psychologist, Alcohol and Drug Services, Exeter Health Authority, UK
1983-1988	Honorary Research Fellow, Exeter University, UK
1983 - 1986	Senior Clinical Psychologist, Exeter Community Alcohol Team, Devon, UK
1981 - 1983	Lecturer, Addiction Research Unit, Institute of Psychiatry

2. POSITIONS HELD PRIOR TO APPOINTMENT AT UNIVERSITY OF VICTORIA
(continued)

- 1980 - 1981 Basic Grade Clinical Psychologist, Bexley Hospital, Kent and Honorary Clinical Psychologist, St. Giles Hospital, London
- 1978 - 1980 Trainee Clinical Psychologist, South West Thames Regional Health Authority
- 1976 – 1978 Medical Research Council (UK) doctoral student, Addiction Research Unit, Institute of Psychiatry, University of London, UK
- 1975 – 1976 Medical Research Council (UK) doctoral student, MRC Unit for Epidemiological Research in Psychiatry, University of Edinburgh, Scotland, UK.

3. MAJOR FIELD (S) OF SCHOLARLY OR PROFESSIONAL INTEREST

Alcohol and other substance use prevention policies; indices of substance use related harm; public health impacts of regulatory policies (e.g. government monopolies, taxation); meta-analysis; epidemiology of substance use, injury and disease; drinking locations and server responsibility; violence prevention; liquor licensing; alcohol and harm reduction; epidemiological surveillance.

4. MEMBERSHIPS AND OFFICES HELD IN LEARNED AND PROFESSIONAL SOCIETIES

- 2017 – present Advisory Council Member, Centre for Gambling Research at UBC
- 2017 – present Research Leaders Forum, Michael Smith Foundation for Health Research
- 2013 – present MESAS (Monitoring and Evaluation of Scotland’s Alcohol Strategy) Governance Board
- 2012 - present Fellow, Canadian Academy of Health Sciences
- 2011 - present Affiliate Investigator at VCH (Vancouver Coastal Health Research Institute)
- 2009 - 2011 Member, Canadian Low Risk Drinking Guidelines Expert Working Group
- 2008 - present Member, National Alcohol Strategy Advisory Committee.
- 2005 - 2007 President, Kettil Bruun Society for Social and Epidemiological Research on Alcohol.
- 2005 - present Member, National Drug Surveillance Advisory Committee, Health Canada.
- 2005 - 2010 Co-Leader, BC Mental Health and Addiction Research Network.
- 2008-present Member, WHO Technical Advisory Group on Alcohol and Drug Epidemiology

4. MEMBERSHIPS AND OFFICES HELD IN LEARNED AND PROFESSIONAL SOCIETIES (continued)

- 2005 - 2008 Member, expert panel providing advice to an inter-provincial initiative to develop methodology for estimating the Social and Economic Impact of Gambling (SEIG).
- 2005 - 2007 Member, National Alcohol Strategy Working Group, co-chaired by Health Canada, the Canadian Centre on Substance Abuse and the Canadian Executive Council on Addictions.
- 2005 - present Research Scientist (Affiliate Status), Social Factors and Prevention Interventions Section at Centre for Addiction and Mental Health, Ontario.
- 2004 - present Member of the Advisory Board, Alcohol Research Group, National Alcohol Research Centre, Berkeley, CA
- 2004 - present Adjunct Professor, Curtin University, National Drug Research Institute, Perth, Western Australia
- 2007 - 2010 Member, Canadian Psychological Society
- 1989 - present Member, Kettil Bruun Society for Social and Epidemiological Research on Alcohol
- 1989 - present Member, Australian Professional Society on Alcohol and Other Drugs (APSAD)
- 1980 - present Member, UK Society for the Study of Addiction
- 1994 - 1996 Vice President, Australian Professional Society on Alcohol and Other Drugs
- 2002 - 2004 Member, the World Health Organization Strategy Advisory Committee on Alcohol, Australia
- 2002 - 2004 Deputy Chairman of the WA Alcohol and Drug Authority Board, Western Australia
- 2001 - 2004 Director, Alcohol Education and Rehabilitation Foundation by invitation of the Prime Minister, Australia
- 1999 - 2004 Member of the National Expert Advisory Committee on Alcohol, Australia
- 1998 - 2004 Member of the Assessors Panel National Health and Medical Research Council, Australia
- 1989 - 2004 Member and Treasurer, Management Committee of WA Alcohol Advisory Council, Australia

4. MEMBERSHIPS AND OFFICES HELD IN LEARNED AND PROFESSIONAL SOCIETIES (continued)

2002-2003 Chair of the organizing committee for an international research symposium "Preventing substance use, risky use and harm: what is evidence-based policy?" The meeting was sponsored by the WHO, the Australian Government Department of Health and Ageing and the WA Health Department. It was also recognized as a Thematic Meeting of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol.

1989-2003 Member, WA Board of Psychologists, Australia

Honours

2017 UVic Representative, Michael Smith Foundation for Health Research

2017 Excellence in Research Award, Faculty of Social Sciences, University of Victoria

2014 Inaugural Research Canada award for Health Research Leadership

2013 Recipient of the 2013 E.M. Jellinek Memorial Award for Outstanding Research on Social, Cultural and Policy Studies of Alcohol, an international award

2012 Fellow of the Canadian Academy of Health Sciences

2005 H. David Archibald Lecturer, Centre for Addiction and Mental Health

2002 Australian Drug Foundation award for "Overall outstanding 2002 individual contribution to the field of drug and alcohol education and prevention"

2001 Dorothy Black Lecturer, Imperial College, University of London, UK

2001 Joint winner of the 2001 Addiction Book Prize, *Addiction* journal

2001 Winner of the 2001 Health Sciences Researcher of the Year Award from Curtin University

Editorial positions

2017 Senior Editor, *Drug and Alcohol Review*

2012 - present Senior Editor, *Addiction*

2008 - present Regional Editor for the Americas, *Drug and Alcohol Review*

2007 - present Member of the International Editorial Advisory Board, Current Drug Abuse Reviews. Journal launched in 2008 by Bentham Science Publishers

2001 – present Assistant Editor, *Addiction*

5. SCHOLARSHIPS, FELLOWSHIPS, HONOURS, AND AWARDS (continued)

- 2005 – present Member, International Editorial Board, *Drugs: Education, Prevention and Policy*,
- 1994 - 1999 Regional Editor for Australasia, *Addiction*
- 2004 - present Member, International Editorial Board, *Drug and Alcohol Review*
- 1992 - 2004 Member, Editorial Board, *Journal of Mental Health*
- 1981 - 1983 Deputy Editor, *Behavioral Psychotherapy*
- 1983 - 1988 Associate Editor, *Behavioral Psychotherapy*
- 1982 - 1983 Deputy Editor, *British Journal of Addiction* (Co-Editor and also Assistant Editor until 1992)

Journal Article Reviews

Medicine, British Medical Journal, The Lancet, Evidence Based Medicine, American Journal of Public Health, Addiction, Journal of Studies on Alcohol Drugs, Drug and Alcohol Review, BMC Public Health, BMC Medicine, International Journal of Epidemiology, Alcoholism: Clinical and Experimental Research, Alcohol and Alcoholism, American Journal of Criminology, American Journal of Alcohol and Drug Abuse, American Journal of Preventive Medicine, Australian and New Zealand Journal of Public Health, New Zealand Journal of Medicine, Australian Medical Journal, Canadian Journal of Public Health, Addiction Research and Theory, Harm Reduction Journal, Drug and Alcohol Dependence, European Journal of Health Economics, Evidence Based Medicine, Alcohol Research and Health, Drug Education and Prevention, European Journal of Health Economics, International Journal on Alcohol and Drugs, Journal of Medical Intervention Research Protocols

5. *SCHOLARSHIPS, FELLOWSHIPS, HONOURS, AND AWARDS*

Peer reviewed research awards

Stockwell, T. Canadian Institute for Substance Use Research Endowment Fund, University of Victoria, \$6,175,000, October 2017 to present.

Stockwell, T. Centre for Addictions Research of BC Endowment Fund, University of Victoria, \$6,175,000, July 2004 to October 2017.

Stockwell, T. Alcohol and other drug surveillance and policy interventions. BC Provincial Health Services Authority, \$184,000 Jan 2017 to Jan 2018.

Hobin, E. (PI), Hammond, D., Greenfield, T & Stockwell, T. (Co-I's) An evaluation of the experimental introduction alcohol warning labels in a Canadian jurisdiction. Health Canada Substance Use and Addictions Programme, \$800,000 Jan 2017 to Jan 2019.

Stockwell, T., (PI), Barnes, G., Cherpitel, C., Fischer, B., Goldner, E., Johnson, J., Macdonald, S., Reist, D., Somers, J. (Co-Applicants). Cross-substance patterns of use, consequences and policy responses - Application to the CIHR Research in Addictions: Innovative Approaches in Health Research - New Emerging Team Grant Program. LOI Approved in May 2005, \$5,000 awarded to prepare full application, 2005.

Fischer, B. (PI), Rehm, J.T., Stockwell, T.R. Cannabis control in Canada: Developing a policy evaluation framework. CIHR Research in Addictions: Innovative Approaches in Health Research – Policy Research Grant Competition. \$64,800 per year April 01, 2006 – March 31, 2008

Goldner, E. (PI), T. Stockwell (Co-applicant) et al. Mental Health & Addiction Services and Policy Investigative Team. Michael Smith Foundation for Health Research 5. \$150K per annum for 3 years, 2005.

5. *SCHOLARSHIPS, FELLOWSHIPS, HONOURS, AND AWARDS*
Commissioned and other research awards (continued)

Commissioned and other research awards

Stockwell, T. (PI) Estimating the public health impact of the Swedish alcohol monopoly. Systembolaget, \$110,000, 2016-2017.

Stockwell, T. (PI) An evaluation of federal government contributions to public health policies concerning alcohol. Public Health Agency of Canada, \$25,000, November 2017-March 2018.

Stockwell, T. (PI) Evaluation of the public health and safety impact of the 2014 BC Liquor Reforms, Office of the BC Provincial Health Officer, \$35,000, September 2016-March 2018.

Stockwell, T. (PI) Developing an Internet based resource for reporting alcohol attributable harm in Australia. National Drug Research Institute, \$30,000, 2016-2017.

Stockwell, T. (PI) Estimating the impact of socio-economic status on the effectiveness of minimum alcohol pricing in British Columbia, Canada. Health Analytic Services, Scottish Government, £5000, 2016.

Pauly, B. & Stockwell, T. (Co-PIs) Evaluating the impact of a Managed Alcohol Program on the health and well-being of participants. Canadian Mental Health Association, Sudbury Branch, \$30,000, 2016-2017.

Stockwell, T. (PI) Estimating the public health impacts of introducing a minimum alcohol price in Québec. Institut national de santé publique du Québec (INSPQ), \$27,000, 2016-2017.

Stockwell, T. (PI) Capacity building grant to support activities consistent with the BC 10 year plan for mental health and substance use, *Healthy Minds, Healthy People*. BC Provincial Health Services Authority, 1 April 2013 to 31 March 2019, \$1,000,000.

Stockwell, T. and Pauly, B. (Co-PI's) An evaluation of the Kwae Kii Win Centre Alcohol Management Program, Thunder Bay, Ontario. Shelter House, Thunder Bay. February to December 2013, \$37,540.

Stockwell, T. (PI), Reist, D. BC AOD Monitoring project and development of school alcohol and other curriculum (iMinds). BC Ministry for Health Services, April 2010 till March 2012, \$180,000.

Stockwell, T. (PI), Macdonald, S., Marsh, D., Buxton, J., & Saewyc, E. BC AOD Monitoring Phase III. Fraser Health Authority, April 2010 to March 2012, \$15,000.

Stockwell, T. (PI), Macdonald, S., Marsh, D., Buxton, J., & Saewyc, E. BC AOD Monitoring Phase III. BC Mental Health Foundation, April 2009-March 2012, \$454,000.

Stockwell, T. (PI). Support for comprehensive alcohol and other drug epidemiological monitoring system for Canada – British Columbia Project Phase II. Ministry of Health, \$20,000, January 2008 to March 2009.

5. *SCHOLARSHIPS, FELLOWSHIPS, HONOURS, AND AWARDS*
Commissioned and other research awards (continued)

Stockwell, T. (PI) Estimation of alcohol attributable fraction for injury presentations to Australian emergency departments. National Drug Research Institute subagreement with UVic worth \$106,000, May 2009 to August 2010.

Parkes, T. (PI), Stockwell, T. (Co-PI). Evaluation of the BC Methadone Maintenance Treatment program: Phase 1 – An Issues Scan. Ministry of Health, \$100,000, January 2008 to September 2008, BC Ministry of Healthy Living and Sport, \$45,000 from October 2008 to March 2009.

Stockwell, T. (PI), Reid, W. (Co PI). “Sir Ringe” program evaluation. Ministry of Health, \$15,000 April 2008 to March 2009.

Macdonald, S. Kettil Bruun Society Symposium Epidemiological Research on Alcohol, Victoria, BC, June 1-6, 2008. Aid to Conferences in Canada Grant, Social Sciences and Humanities Research Council, June 30 to July 30, 2008, \$13,000; (ii) Stockwell, T. Travel support for Canadian and overseas scholars plus meeting expenses, BC Ministry of Health, May-June, 2008, \$11,000

Stockwell, T. (PI). BC alcohol and other drug monitoring project: Phase II. Ministry of Healthy Living and Sport, \$20,000 from April 2008 to March 2009.

Stockwell, T. (PI). BC alcohol and other drug monitoring project: Data Analysis. Ministry of Health, \$50,000 from April 2008 to March 2009.

Stockwell, T. (PI). BC alcohol and other drug monitoring project: Phase II. Northern Health Authority, \$15,000 from April 2008 to March 2009.

Stockwell, T. (PI). Monitoring alcohol and drug-related harm: Building systems to support better policy. Health Canada, \$50,000, BC Mental Health and Addiction Services, \$10,000, November 2006 to September 2007.

Fischer, B. (PI), Stockwell, T. Feasibility study for a drug consumption site. Vancouver Island Health Authority, \$48,000, May 2006 to June 2007.

Stockwell, T. (Co-PI), Thomas, G. (co-PI), Reist, D., Buxton, J. and Macdonald, S. Update to the 2002 BC Provincial Health Officer’s report, “Public Health Approach to Alcohol Policy”. Ministry of Health, Office of the Provincial Health Officer, \$21,000, April 1, 2008 to October 31, 2008.

Stockwell, T. (PI), Macdonald, S., Duff, C. (Vancouver Coastal Health Authority), Buxton, J. (BC Centre for Disease Control), and Marsh, D. (Vancouver Coastal Health Authority). A proposal for Health Canada. “A BC pilot study of a comprehensive alcohol and other drug epidemiological monitoring system for Canada”. \$370K, BC Provincial Health Services Authority; \$20k BC Ministry of Health; \$20k BC Ministry of Public Safety and Solicitor General; \$62,500 a BC Mental Health and Addictions Research Network, 2007-2009.

Smith, P., Stockwell, T. (Co-PI’s), Anderson, J., Brown, D., Reist, D. and Ross, D. Best practices review of Addiction services in Alberta. The Alberta Alcohol and Drug Abuse Commission, \$149,000, 2007-present.

5. *SCHOLARSHIPS, FELLOWSHIPS, HONOURS, AND AWARDS*
Commissioned and other research awards (continued)

Stockwell, T. Best practices review of violence prevention in and around licensed premises: Australian and Canadian research. The Alberta Gaming and Liquor Commission, July 2007 to January 2008.

Stockwell, T. (chair) Sponsorship of international research symposium: Monitoring alcohol and other drug related harm: building systems to support better policy. BC PHSA (\$10,000), Health Canada (\$50,000), 2007.

Stockwell, T. (PI), Macdonald, S., Sturge, J. (CARBC), Fischer, B., Rehm, J. (CAMH & University of Toronto), Duff, C. (Vancouver Coastal Health Authority), Buxton, J. (BC Centre for Disease Control), Kerr, T. (BC Centre for Excellence in HIV/AIDS) and Marsh, D. (Vancouver Coastal Health Authority). A proposal for Health Canada. "A BC pilot study of a comprehensive alcohol and other drug epidemiological monitoring system for Canada". \$484K, Health Canada, Provincial Health Services Authority, VIHA, VCHA and BC Ministry of Health, 2006-2007.

Stockwell, T. (PI) Revision of international alcohol monitoring guidelines. Substance Abuse Department, World Health Organization, \$14,900 USD, 2006-2007.

Stockwell, T. (PI) & Toumbourou, J. WHO review of adolescent prevention strategies for substance use and related harms. US\$5,000, 2005.

Stockwell, T. (PI) Health Canada funded review of the effectiveness of alcohol warning labels. \$9,500, 2005

Estimating Alcohol, Tobacco and Other Drugs – Related Mortality and Economic Costs in BC and Canada. Through CARBC, the Ministry of Health Services will provide \$9,500 in funding to support the BC aspects of a revised economic costing of drugs and alcohol in Canada being conducted by the Centre for Addiction and Mental Health, Toronto. The last such study was conducted in 1992 in Canada, 2005.

Knowledge Exchange contracts worth between \$400,000 and \$1.5 million per annum funding the work of CARBC's Communication and Resource Unit based in Vancouver. Funding from various BC and federal government sources for a variety of contracts, each listing T. Stockwell as principal investigator, 2004-present.

Joint holder of grant from Alcohol Education and Rehabilitation Foundation "Does Alcohol in moderation prevent heart disease?", AU\$215,000, 2002-2006.

Holder of grant from Australian Government Department of Health and Ageing for the National Drug Research Institute, AU\$1.7 million, 2003-2004.

Sponsorship of an international research symposium concerning the evidence base for prevention policy and practice, state and federal health departments, AU\$35,000, 2002-2003.

Joint holder with Wendy Loxley and John Toumbourou of grant from Australian Government Department of Health and Ageing to prepare a monograph and supporting materials on the evidence base for the prevention of harmful substance use, AU\$350,000, 2001-2004.

5. *SCHOLARSHIPS, FELLOWSHIPS, HONOURS, AND AWARDS*
Commissioned and other research awards (continued)

Holder of Grant from Commonwealth Department of Health and Ageing for the National Drug Research Institute, AU\$6.8 million, 1996-2002.

National Illicit Drug Strategy Evaluation of the Community Partnership Initiatives, AU\$112,465, 2000.

Analysis of prior drinking locations of drink driving offenders, WA Road Safety Council, AU\$49,000, 2000-2002.

Epidemiological monitoring of alcohol consumption and related problems in Western Australia, Health Department of WA, AU\$55,000, 1999-2003.

Development of a Lexicon of Demand Reduction Terms funded by the Commonwealth Department of Health and Family Services AU\$20,800, 1998.

Literature Review of issues relating to the Liquor Licensing Act, AU\$3,800, 1998.

Preparation of a submission to the Competition Review of the Liquor Licensing Act funded by the Health Department of WA, AU\$5,000, 1998.

6. POSITIONS HELD WHILE AT UNIVERSITY OF VICTORIA

2017 – present Director, Canadian Institute for Substance Use Research, University of Victoria

2004 - 2017 Director, Centre for Addictions Research of BC, University of Victoria

2004 - present Professor, Department of Psychology, University of Victoria

2005 - 2010 Co-leader, BC Mental Health and Addiction Research Network

- Stockwell, T. R. (2005, April). Alcohol supply reduction, demand reduction and harm reduction: what is the best cocktail I? Invited keynote address to the 16th International Conference on the Reduction of Drug-Related Harm, Belfast, N. Ireland.
- Stockwell, T. R. (2005). Are the protective effects of light drinking really of major signature? Presented to Canadian Addictions and Mental Health, London, Ontario, Canada.
- Stockwell, T. R. (2005). Reducing harm when young people drink: what works and what's acceptable. Presented for Canadian Addictions and Mental Health, Archibald Lecture, Toronto, Ontario, Canada
- Stockwell, T. R. (2005, January). What are the harms from legal and illegal drug use? How and they be prevented? Public Forum at S.J. Willis School, Victoria, BC.

2004

- Stockwell, T. R. (2004, November). Keynote address at the Symposium on Binge drinking: problems and responses. Alcohol and Health Research Trust, Bristol, England.
- Stockwell, T. R. (2004, October). Preventing Harm from Substance Use: What Works? Public lecture at the University of Victoria.
- Stockwell, T. R. (2004, October). Preventing alcohol related harm to young people: what is the evidence? Presented at the Youth and Society Symposium, National College of Ireland.

7. SCHOLARLY AND PROFESSIONAL ACHIEVEMENTS

d. Papers, Lectures and Addresses (continued)

- Stockwell, T. R. (2004, October). Future directions for CARBC. Presentation to the Centre for Youth and Society, University of Victoria.
- Stockwell, T. R. (2004, September). Future directions for CARBC. Presented at Keeping the Door Open: Moving Forward on Heroin Treatment, Vancouver, BC.
- Stockwell, T. R. (2004, September). Preventing risky substance use and harm: what works? Presented at the AGM of the Association of Substance Abuse Programs of BC, Richmond, BC.
- Stockwell, T. R. (2004, February). Presentation of NDRI's Strategic Plan. Invited presentation at the Inter-governmental Committee on Drug Strategy, Yamba Sports Club, Canberra, ACT, Australia.
- Stockwell, T. R. (2004, June). Emergency room injury presentations as an indicator of alcohol-related problems in the community: A Multilevel analysis of an international study. Invited Plenary presentation at the 30th Annual Alcohol Epidemiology Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, University of Helsinki.
- Stockwell, T. R. (2004, May). Alcohol: An ordinary commodity? Regulating the manufacture, supply and promotion of alcohol. Invited presentation at the 2004 Liquor and Hospitality Industry Leaders Forum, Burswood International Resort Casino, Perth, Australia.

2003

- Stockwell, T. R. (2003, November). What works in drug and alcohol prevention? A review of international evidence. Invited presentation at the WA Drug and Alcohol Office Executive Group, WA Drug and Alcohol Office, Perth, Australia.
- Stockwell, T. (2003, August). Alcohol and harm in New South Wales and Australia: causes, consequences and costs Invited keynote address to the New South Wales Alcohol Summit, Parliament of New South Wales, Australia.
- Stockwell, T. R. (2003, February). Risk and protection factors for different intensities of adolescent substance use: When does the prevention paradox apply? Presented at the Kettil Bruun Society Thematic Meeting on Preventing Substance Use, Risky Use and Harm: What is Evidence-Based Policy? Esplanade Hotel, Fremantle, Australia.
- Stockwell, T. R. (2003, October). Alcohol-related harm and its prevention in the Northern Territory and Australia as a whole. Invited presentation at the Legislative Assembly of the Northern Territory Select Committee on Substance Abuse in the Community, Parliament House, Darwin, NT, Australia.
- Stockwell, T. R. (2003, October). What works in alcohol prevention? A review of the international evidence. Invited presentation at the Reconnecting Community: Australasian Therapeutic Communities National Conference, The Esplanade, Fremantle, Australia.
- Stockwell, T. R. (2003, November). What governments can expect from prevention. Invited, Plenary presentation at the APSAD 2003: The alcohol and drug conference, Sheraton Brisbane Hotel, Brisbane, Australia.
- Stockwell, T. R. (2003, June). The evidence base for Australia's National Prevention Agenda: Outcomes of a major commissioned review. Invited presentation at the Prevention Research Center Invited Presentation, Prevention Research Center, Berkeley, CA.
- Stockwell, T. R. (2003, June). The Australian experience with liquor licensing to reduce alcohol-related harm. Invited presentation at the Invited presentation to the Alcohol Research Group, Alcohol Research Group, Berkeley, CA.
- Stockwell, T. R. (2003, October). Promoting health and preventing harm in national alcohol policy. Invited Keynote presentation at the College of Health Psychologists Forum, Sheraton Hotel, Perth, Australia.

7. SCHOLARLY AND PROFESSIONAL ACHIEVEMENTS

d. Papers, Lectures and Addresses (continued)

Stockwell, T. R. (2003, June). Problems with pubs: Voluntary versus regulatory programs for the reduction of alcohol-related harm following drinking on licensed premises in Australia. Invited presentation at the Society for Prevention Research 11th Annual Meeting - Research to Policy, Hyatt Regency, Washington, DC.

Stockwell, T. R. (2003, March). National drinking patterns. Invited presentation at the Alcohol and Drug Advisers Conference, Kings Hotel, Perth, Australia.

2002

Stockwell, T. R. (2002, November). The role of liquor licensing in minimising the extent of harm due to the use of liquor. Keynote presentation at the 32nd Annual Australasian Liquor Licensing Conference, Burswood International Resort Casino, Perth, Australia.

Stockwell, T. R. (2002, September). Introducing the International Guide for Monitoring Alcohol Consumption and Related Harm. Invited presentation at the Introducing the International Guide for Monitoring Alcohol Consumption and Related Harm, Qianhe Hotel, Shanghai, China.

Stockwell, T. R. (2002, August). International partnerships for alcohol policy and research: collaboration or collusion? Plenary presentation at the Inaugural Alcohol and Other Drugs Symposium: Collaborating for better care, Esplanade Hotel, Fremantle, Australia.

Stockwell, T. R. (2002, October). Harm reduction the drugification of alcohol policies and the alcoholisation of drug policies. Invited presentation at the SIPA/ISPA 100 year birthday symposium 2002: From science to Action? - 100 years later - Alcohol policies revisited, Bern, Switzerland.

Stockwell, T. R. (2002, September). Alternative approaches to alcohol and public health: practical examples from Australia. Invited plenary presentation at The First China International Symposium on Alcohol and Health, Shanghai, China.

Stockwell, T. R. (2002, November). Alcohol: changing patterns and problems. Invited keynote presentation at The Combined APSAD and National Methadone Conference 2002 - Adelaide, Adelaide, Australia.

2001

Stockwell, T. R. & Chikritzhs, T. (2001, February). Monitoring alcohol consumption and related harm in Australia. Invited presentation at the Population Health Seminar Series - National Alcohol Indicators Project, Canberra, ACT.

Stockwell, T. R. (2001, November). What are the foundations of good alcohol policy development. Invited presentation at the Good Practice in Drug Policy, Sydney, Australia.

Stockwell, T. R. (2001, July). The value of primary prevention. Invited presentation at the Sharpening the focus of drug prevention, Melbourne, Australia.

Stockwell, T. R. (2001, April). The public health and safety benefits of the Northern Territory's Living with Alcohol Program. Invited presentation at the International Conference on the Reduction of Drug Related Harm, New Delhi, India.

Stockwell, T. R. (2001, June). The public health and safety benefits of the Northern Territory's Living with Alcohol program. Presented at the 27th annual alcohol epidemiology symposium of the Kettil Bruun Society, Toronto, Ontario.

Stockwell, T. R. (2001, May). National alcohol indicators: Monitoring alcohol-related harm in Australia. Invited presentation at the Alcohol Research Centre Seminar Series, Berkeley, CA.

Stockwell, T. R. (2001, August). An overview of prevention. Invited presentation at the WA Drug Summit, Parliament House, Perth, Australia.

7. SCHOLARLY AND PROFESSIONAL ACHIEVEMENTS

d. Papers, Lectures and Addresses (continued)

- Stockwell, T. R. (2001, February). Alcohol, public health and social order: policing and regulating licensed premises. Invited presentation at The Dorothy Black Lecture 2001, London, UK.

- Stockwell, T. R. (2001, June). Alcohol consumption, setting, gender and activity as predictors of injury: A case-control study. Presented at the 27th annual alcohol epidemiology symposium of the Kettil Bruun Society, Toronto, Ontario.
- Stockwell, T. R. (2001, April). Alcohol and harm reduction in the 21st century. Invited presentation at the International Conference on the Reduction of Drug Related Harm, New Delhi, India.
- Stockwell, T. R. (2001, October). Alcohol and harm reduction in the 21st century. Invited presentation at the Harm Reduction Conference, Health Department of WA, Perth, Australia.
- Stockwell, T. R., & Chikritzhs, T. (2001, February). Monitoring alcohol consumption and related harm in Australia. Invited presentation at the Population Health Seminar Series - National Alcohol Indicators Project, Canberra, ACT.
- Stockwell, T. R. (2001, December). Alternative approaches to tackling the issue - practical examples from Australia. Invited presentation at the Alcohol and Public Health in Northern Ireland - The best way forward? Kells, N. Ireland.

2000

- Stockwell, T. R. (2000, April). The public health impact of an alcohol levy in the Northern Territory. Presented at the National Drug Research Institute Seminar: National indicators of alcohol-related harm, Curtin University of Technology, Perth, Australia.
- Stockwell, T. R. (2000, November). The public health and safety benefits of the Northern Territory's Living with Alcohol Program. Presented at The Combined APSAD and National Methadone Conference, Melbourne, Australia.
- Stockwell, T. R. (2000, August). The health and economic benefits of the Northern Territory's alcohol harm reduction levy. Presented at Reducing Criminality: Partnerships and Best Practice, Perth, Western Australia.
- Stockwell, T. R., & Chikritzhs, T. (2000, April). The role of social and health statistics in measuring harm from alcohol. Invited presentation at the Measuring Drinking Patterns, Alcohol Problems and their Connection: An international research conference, Stockholm, Sweden.
- Stockwell, T. R. (2000, April). Environmental approaches to reducing alcohol-related harm. Invited presentation at the Reducing harm from alcohol and drugs: making the research, policy and practice connections, South Kensington, SW7.
- Stockwell, T. R. (2000, April). Reducing alcohol related harm: national policies and local action. Keynote address, London.
- Stockwell, T. R. (2000, April). The Australian experience with standard drink labeling. Invited presentation at the Informed Consumer Meeting, London.
- Stockwell, T. R. (2000, April). International guidelines for monitoring alcohol consumption and harm. Invited presentation at the Measuring Drinking Patterns, Alcohol Problems and their Connection: an international research conference. Stockholm, Sweden.

1999

- Stockwell, T. R. (1999, July). Guidelines for monitoring national levels of alcohol-related harm: methodological issues. Presented at Winter School in the Sun 'New Horizons: reducing drug harm in the new millennium', Brisbane, Australia.

7. SCHOLARLY AND PROFESSIONAL ACHIEVEMENTS

d. Papers, Lectures and Addresses (continued)

Stockwell, T. R. (1999, April). The National Centre for Research into the Prevention of Drug Abuse. Presented at Alcohol Expo '99, Perth, Western Australia.

Stockwell, T. (1999). The Australian experience with standard drink labelling. Royal Society of Medicine, London.

Stockwell, T. (1999, December). Liquor regulation, alcohol supply and impact on drinking patterns. WHO sponsored workshop, Stockholm, Sweden.

Stockwell, T. (1999, July). Reducing alcohol related harm: national policies and local action. Keynote address at the Winter School in the Sun, Brisbane, Australia.

1998

Stockwell, T. R. (1998, November). Alcohol taxation and public health in Australia. Presented at the 1998 APSAD annual conference, Sydney, Australia.

Stockwell, T., Mcleod, R., Philips, M., & Stevens, M. (1998, November). The role of alcohol in injury: a case-control study. Presented at the 1998 APSAD Annual conference, Sydney, Australia.

Stockwell, T., & Single, E. (1998, February). Methodology for estimating average beverage strength and average serve sizes for alcoholic drinks. Presented at Meeting of WHO Expert Working Group for Development of International Guidelines for the Monitoring of Alcohol Consumption and Harm, University of Western Australia.

Stockwell, T. (1998, May). Alcohol taxation and public health: what the research has to say. Presentation at Alcohol Tax Forum, Parliament House, Canberra, Australia.

Stockwell, T. (1998, February). Meeting of WHO Expert Working Group for Development of International Guidelines for the Monitoring of Alcohol Consumption and Harm, University of Western Australia.

Stockwell, T. (1998, February). 2nd International Conference on Drinking Patterns and their Consequences. A Thematic Meeting of the Kettil Bruun Society for Social and Epidemiological Studies on Alcohol, University of Western Australia.

Stockwell, T., & Single, E. (1998, June). Reducing harmful drinking. Presented at Permission for Pleasure: Alcohol and pleasure from a health perspective conference, International Centre for Alcohol Policies, New York City, New York.

Stockwell, T. (1998, October). Alcohol taxes, public health and how to burn a wine cask. Presented at the 13th Mandurah Addiction Symposium.

Stockwell, T. (1998, May). Alcohol taxation and public health: what the research has to say. Presentation at Alcohol Tax Forum, Parliament House, Canberra, Australia.

Stockwell, T. (1998, November). Alcohol taxation and public health in Australia. Presented at the 1998 APSAD Annual conference, Sydney, Australia.

Stockwell, T. (1998, May). Community Based Withdrawal. Keynote address presented at Cooperative Approaches to Drug and Alcohol Management – Clinical School, Marysville, Victoria, Australia.

1997

Stockwell, T., & Masters (1997, October). The relationship between local rates of alcohol sales and of violent incidents: fact or fallacy. Presented at the Annual Symposium of Australian Professional Society on Alcohol and Other Drugs. Adelaide, Australia.

Stockwell, T. (1997, August). Development of a lexicon on demand reduction terms. Presented at the UNDCP Working Group meeting, Sydney, Australia.

Stockwell, T. (1997). Alcohol control policies: research, policy and advocacy. Seminar presented at Dept of Psychology, Murdoch University.

7. SCHOLARLY AND PROFESSIONAL ACHIEVEMENTS

d. Papers, Lectures and Addresses (continued)

- Chikritzhs, T., Stockwell, T., & Masters, L. (1997, October). Evaluation of the public health and safety impact of extended trading permits for Perth hotels and night clubs. Presented at the Annual Symposium of Australian Professional Society on Alcohol and Other Drugs. Adelaide, South Australia.
- Chikritzhs, T., Stockwell, T., & Masters, L. (1997, June). Evaluation of the public health and safety impact of extended trading permits for Perth hotels. Presented at 23rd Kettil Bruun Society Meeting. Reykjavik, Iceland.
- Stockwell, T. (1997, May). Unravelling the Preventive Paradox. Invited Presentation at International Workshop on Measures and Models of Alcohol Consumption, National Institute on Alcoholism and Alcohol Abuse. Washington, DC.
- Stockwell, T. (1997, May). Levels of intoxication among patrons of high and low risk licensed premises. Invited presentation at International Workshop on Measures and Models of Alcohol Consumption, National Institute on Alcoholism and Alcohol Abuse, Washington DC.
- Stockwell, T. (1997, September). Alcohol-related harm in Australia: current issues and future prospects. Presented at 1st Asia-Pacific Society for Biomedical Research on Alcoholism. Tokyo, Japan.
- Stockwell, T. (1997, May). A measure of hazardous per capita consumption of alcohol. Invited Presentation at International Workshop on Measures and Models of alcohol Consumption, National Institute on Alcoholism and Alcohol Abuse. Washington DC.
- 1996**
- Stockwell, T., Masters, L., Phillips, M, Daly, A., Midford, R., Gahegan, M., & Philp, A. (1996, June). Consumption of different alcoholic beverages as predictors of local rates of assault, road crash and hospital admission. Presented at 22nd Annual Alcohol Epidemiology Symposium, Kettil Bruun Society, Edinburgh, Scotland.
- Stockwell, T., Daly, A., Phillips, M., Masters, L., Midford, R., Gahegan, M., & Philp, A. (1996, November). Total versus hazardous per capita alcohol consumption as predictors of acute and chronic alcohol related harm. Presented at the Social and Health Effects of Different Drinking Patterns. Toronto, Ontario.
- Stockwell, T., Daly, A., Phillips, M., Masters, L., Midford, R., Gahegan, M., & Philp, A. (1996, March). Hazardous versus total per capita alcohol consumption as predictors of rates of assault and alcohol-related morbidity. Presented at 7th International Conference on the Reduction of Drug Related Harm, Hobart.
- Stockwell, T., Single, E., Hawks, D., & Rehm, J. (1996, June). Sharpening the focus of alcohol policy from aggregate consumption to harm and risk reduction. Keynote presentation at the Annual Symposium of the Kettil Bruun Society. Edinburgh, Scotland.
- 1995**
- Stockwell, T., Norberry, J., & Solomon, R. (1995, November). Liquor laws and the prevention of violence in and around Australian pubs and clubs. Presented at the Social and Health Effects of Different Drinking Patterns Conference. Toronto, Ontario.
- Stockwell, T., Daly, A., Phillips, M., Masters, L., Midford, R., Gahegan, M., & Philp, M. (1995, November). Total versus hazardous per capita alcohol consumption as predictors of acute and chronic alcohol related harm. Presented at the Social and Health Effects of Different Drinking Patterns conference, Toronto, Ontario.
- Stockwell, T. (1995, July). The search for winnable harm reduction policies: science vs politics? Presented at Australian Professional Society on Alcohol and Other Drugs Symposium 'Alcohol Policies for the Year 2000: what should we advocate?' 2nd Window of Opportunity Congress, Brisbane, Australia.

7. SCHOLARLY AND PROFESSIONAL ACHIEVEMENTS

d. Papers, Lectures and Addresses (continued)

- Stockwell, T. (1995, July). Should wine, beer and spirits be taxed differently? Presented at 'To Drink Or Not To Drink For Your Health' New Research on Costs and Benefits of Alcohol Use Seminar, Alcohol Advisory Council of WA, Perth, Australia.
- Stockwell, T. (1995). Seminar for 'Policy and prevention in alcohol and other drug use' Course at School of Social Sciences, Murdoch University, Perth, Australia.
- Stockwell, T. (1995, July). Management of alcohol withdrawal in the home. Presented at the Management of Alcohol and Drug Withdrawal: Best Practice and Future Directions at the Symposium held at the 2nd Window of Opportunity Congress, Brisbane, Australia.
- Stockwell, T. (1995, July). Alcohol policies for the year 2000: what should we advocate? Presented at Australian Professional Society on Alcohol and other Drugs Symposium 'Alcohol Policies for the Year 2000: what should we advocate?' 2nd Window of Opportunity Congress, Brisbane, Australia.

Public drinking, problems and prevention measures : results of an informant survey conducted by the WHO Project on Public Drinking. Presented at the Social and Health Effects of Different Drinking Patterns conference, Toronto, Ontario.
- Phillips, M., Daly, A., Philp, A., & Stockwell, T. (1995, November). Correlates of community alcohol consumption: An analysis of total and per capita alcohol consumption in Western Australia. Presented at the Social and Health Effects of Different Drinking Patterns conference, Toronto, Ontario.
- Stockwell, T. (1995, February). Violence associated with licensed premises. Presented at the First National Injury Prevention Conference, Sydney, Australia.
- 1994**
- Stockwell, T. (1994, October). Liquor laws and the prevention of violence. Presented at the Alcohol, Drugs and the Family Australian Professional Society on Alcohol and Other Drugs Annual Conference, Melbourne, Australia.
- Stockwell, T. (1994, July). Are public health and safety objectives appropriate for liquor licensing laws? Presentation at the National Liquor Licensing Policy Forum, Canberra, Australia.
- Stockwell, T. (1994, February). What do we know about problematic drinking environments? Presented at the Perspectives for Change: Alcohol - Managing our Favourite Drug conference, Rotorua, New Zealand.
- Stockwell, T. (1994, August). The British experience in the 1980's with Community Alcohol Teams. Presented at the Alcohol and Drug Interventions in Primary Care: What Have Others Done? Does it Work? Melbourne, Australia.
- Stockwell, T. (1994, August). Home detoxification for problem drinkers: simply the best! Presented at the Symposium on Alcohol Withdrawal, Melbourne, Australia.
- Stockwell, T. (1994, March). Harm reduction and licensed drinking settings. Presented at the 5th International Conference on Reducing Drug Related Harm, Toronto, Ontario.
- Stockwell, T. (1994, August). Development of alcohol (and other drug) data and utilisation in Western Australia. Presented at the Progressing Epidemiological Research in the Alcohol and Drug Sector, Melbourne, Australia.
- Stockwell, T. (1994, August). Changing the environments of licensed premises to reduce drinking and driving. Presented at the Alcohol-Related Crashed Conference, Griffith University, Brisbane, Australia.
- Stockwell, T. (1994, February). Australian liquor laws: Directions for reform. Presented at the 5th Meeting of Heads of Major Alcohol Centres, Fremantle.

7. SCHOLARLY AND PROFESSIONAL ACHIEVEMENTS

*d. Papers, Lectures and Addresses (continued)***1993**

- Stockwell, T. (1993, May). The alcohol dependence syndrome : just another disease model? Presented at the Western Australian Alcohol and Drug Authority, Perth, Australia.
- Stockwell, T. (1993, April). Drugs and alcohol in general practice. Presented at the Royal Australian College of General Practitioners, Family Medicine Program, Perth, Australia.
- Stockwell, T. (1993, December). Australia: National Centre for Research into the Prevention of Drug Abuse. Invited presentation at the 4th Meeting of the Network of Heads of Major Alcohol Centres, Canada.
- Stockwell, T. (1993, December). An examination of the appropriateness and efficacy of liquor licensing laws across Australia. Invited address to the National Symposium on Alcohol and Violence, Canberra, ACT.

1992

- Stockwell, T., Lang, E., & Rydon, P. (1992, January). Paving the way for social change: a research program designed to stimulate prevention activity and policies which impact on licensed drinking settings. Presented at the Second International Symposium on Experiences with Community Action Projects for the Prevention of Alcohol and other Drug Problems, San Diego, California.
- Stockwell, T., & Beel, A. (1992, June). Opportunities for the prevention of alcohol related problems in pubs, clubs and restaurants. Presented at NCRPDA Seminar Series, Perth, Australia.
- Stockwell, T. (1992, November). Measuring the risk of alcohol related harm following drinking on licensed premises. Lecture to postgraduate students, Department of Medicine, University of Toronto, Ontario.
- Stockwell, T. (1992, November). Drug and alcohol policy in Australia. Seminar for the Department of Behavioural Science, Department of Medicine, University of Toronto, Ontario.
- Stockwell, T. (1992, February). The licensed drinking environment and action research. Invited seminar presented at the Marin Institute, California.
- Stockwell, T. (1992, December). The introduction of unit labelling of alcohol containers in Australia. Invited presentation to the Canadian Centre on Substance Abuse, Ottawa, Ontario.
- Stockwell, T. (1992, September). Research and policy in the licensed drinking environment. Invited address to the Heads of Major Alcohol Centres Conference, Toronto, Ontario.
- Stockwell, T. (1992, February). Recent research advances from the National Centre for Research into the Prevention of Drug Abuse, Perth Australia. Invited seminar presented at the Prevention Research Centre, Berkeley, California.
- Stockwell, T. (1992, February). Random Breath Testing. Invited seminar presented at the Alcohol Research Group, Berkeley, California.
- Stockwell, T. (1992, June). Opportunities for the prevention of alcohol related problems in pubs, clubs and restaurants. Presented at the King Edward Memorial Hospital, Perth, Australia.
- Stockwell, T. (1992, January). Influencing the labelling of alcoholic beverage containers - informing the public. Presented at the Thematic Meeting of the Kettil Bruun Society 'The Interaction of Research and Policy in the Drugs Arena', Perth, Australia.
- Stockwell, T. (1992, November). Detoxification from alcohol: Do we need hospitals? Invited presentation to the Addiction Research Foundation, Toronto, Ontario.
- Stockwell, T. (1992, September). Australia: National Centre for Research into the Prevention of Drug Abuse. Invited paper presented at the 4th Meeting of the Network of Heads of Major Alcohol Centres, Toronto, Ontario.

7. SCHOLARLY AND PROFESSIONAL ACHIEVEMENTS

*d. Papers, Lectures and Addresses (continued)***1991**

Stockwell, T., & Rydon, P. (1991, December). Standardising the great Australian drink. Paper presented to the Window of Opportunity Conference, Adelaide, Australia.

Stockwell, T., & Rydon, P. (1991, May). Model for a community intervention study in Perth. Paper presented to the National Workshop for Research into the Licensed Drinking Environment, Melbourne, Australia.

Stockwell, T., & Rydon, P. (1991, December). Characteristics of drinking environments associated with alcohol related harm. Paper presented to the Window of Opportunity Conference, Adelaide, Australia.

Stockwell, T. (1991, August). The new era of alcohol control policies. Invited seminar presented at the Centre for Drug and Alcohol Studies, Sydney, Australia.

1990

Stockwell, T., Somerford, P., & Lang, E. (1990, June). The measurement of harmful outcomes following drinking on licensed premises in Western Australia. Conference paper presented to the 16th Kettil Bruun, Budapest, Hungary.

Stockwell, T. (1990, October). Prior drinking locations of drink driving offenders: new direction for prevention. Paper presented at the Conference of Police Personnel Involved in Breath Testing, Perth, Australia.

Stockwell, T., Hando, J., Digiusto, E., Darke, S., Ward, J. Heather, N., Wodak, A., Richmond, R., Bell, J., Hall, W., Stewart, J., Hamilton, M., Mcdermott, F., Pyett, P., & Lagay, B. (1990, November). Evaluating clients and treatment. Paper presented to the National Drug and Alcohol Research Centre's Annual Symposium, Sydney, Australia.

Stockwell, T. (1990, November). Uses and abuses of questionnaire measures of alcohol dependence: suggested guidelines for practitioners. Paper presented to the National Drug and Alcohol Research Centre's Annual Symposium, Sydney, Australia.

Stockwell, T. (1990). Experimental analogues of loss of control in humans: A review. International Conference on the Treatment of Addictive Behaviours 5, Sydney, Australia.

Stockwell, T. (1990, April). Early Intervention and Beyond. North Queensland Hospitals Alcohol and Drug Services Conference, Rockhampton.

1989

Stockwell, T., Gregson, A., Osbourne, J., & Bolt, L. (1989, August). Motivational interviewing with problem drinkers: A controlled trial of a method for reducing treatment drop-out. Paper presented to the Third Mandurah Addiction Research Symposium, Mandurah, Western Australian.

Stockwell, T., & Honig, F. (1989, July). Labelling alcoholic drinks: percentage proof, original gravity, percentage alcohol by volume or 'standard drinks'? Paper presented to the Winter School in the Sun, Alcohol and Drug Foundation Queensland, Brisbane, Australia.

Stockwell, T. (1989, July). Techniques of early intervention: breaking down resistance. Paper presented to the Winter School in the Sun, Alcohol and Drug Foundation Queensland, Brisbane, Australia.

1988

Stockwell, T., & Howells, E. (1988, December). Home Detoxification for Problem Drinkers. Society for the Study of Addiction, Royal Society, London, UK.

Stockwell, T. (1988, May). Dependence as Learned Behaviour. Presented to the Psychiatric Association of Porto Allegre, Brazil.

1987

Stockwell, T. (1987, March). Psychology and Community Alcohol Teams. Society for the Study of Addiction and the British Psychological Society Joint Conference, Cardiff, Wales.

1986

Stockwell, T. (1986, August). Sociological, psychological and medical aspects of alcohol problems: contradictory or complementary? Presented at the Nordic Council on Alcoholism's Annual meeting, Stavern, Norway.

Stockwell, T. (1986, August). Community Alcohol Services in the United Kingdom. Presented at the International Conference on Community Mental Health, Athens, Greece.

1983

Stockwell, T. (1983). Questionnaire Assessments on Alcohol Dependence. Invited presentation at VII World Congress of Psychiatry, Vienna, July 1983. Published in the conference proceedings. New York: Plenum.

Stockwell, T. (1983, July). Questionnaire Assessments on Alcohol Dependence. Invited presentation at VII World Congress of Psychiatry, Vienna, Austria.

1981

Stockwell, T. (1981). Alcoholic's phobias: do they require treatment? Paper read at the International Conference on Addictive Behaviours, Arizona.

Poster Presentations

- Pauly, B., Stockwell, T., Chow, C., Vallance, K., & Perkin, K. (2013) Towards alcohol harm reduction: Preliminary results from a pilot evaluation of a managed alcohol program. *International Journal of Alcohol and Drug Research*. International Harm Reduction Conference.
- Brache K., Murray, K, & Stockwell, T. (2009, July). Early drug use as a risk factor for simultaneous polysubstance use: Implications for prevention and intervention strategies. To be presented at the Society for Prevention Research 17th annual meeting, Washington, Washington, D.C., USA.
- Murray, K., Stockwell, T., Leadbeater, B., & Macdonald, S. (2009, July). Is there a “low-risk” drinking level for youth? Exploring the harms associated with adolescent drinking patterns. Society for Prevention Research, 17th Annual Meeting. Washington DC.
- Brache, K., & Stockwell, T. (2009, June). Alcohol and Cocaine Simultaneous Polysubstance Use in Substance Abuse Treatment Clients: A Qualitative Investigation. Poster presentation at the Canadian Psychological Association.

8. TEACHING DUTIES AT THE UNIVERSITY OF VICTORIA
a. *Courses Taught*

Directed studies courses and honours dissertations:

Fall 2016	Sasha Goatley, Honours in Psychology dissertation on Do bars comply with National standards for alcohol advertising? Investigating social media and a culture of immoderation among the student population
Winter 2016	Rebecca Erickson, Honours in Psychology dissertation on Homeless, dependent drinkers' coping when alcohol is unaffordable: Do managed alcohol programs reduce harmful coping?
Spring 2015	Casey Sharpe, Honours in Psychology directed study on happy hours and impacts on health and safety
Fall 2013	Nicole Gillette, Honours in Psychology dissertation on harm reduction strategies for street-involved illicit alcohol drinkers
Fall 2012	Montana Osiowy, Honours in Psychology dissertation on standard drink labelling of alcohol containers
Spring 2011	Nichole Williams, Honours in Psychology dissertation on alcohol use and homelessness
Fall 2010	Kara Thompson, doctoral student in Lifespan Psychology, systematic review of longitudinal studies on adolescent alcohol use
Fall 2010	Kristina Brache, doctoral student in Clinical Psychology, literature review on poly-substance use.
Fall 2006	Kristina Brache, Masters in Clinical Psychology, literature review on alcohol and stimulant use.
Fall 2006	Kara Murray, Masters in Lifespan Psychology, preparation of a paper for publication on student project.
Spring 2006	David Segal, Final year Psychology student, design of a study to test the acceptability of lower strength beers for male college students
Summer 2006	Neva Shemilt, A systematic review of published literature on polysubstance use

8. TEACHING DUTIES AT THE UNIVERSITY OF VICTORIA (continued)

b. Graduate Supervision

2014 – present	Adam Sherk, Social Dimensions of Health Research
2014 – present	Audra Roemer, Clinical Psychology, Supervisor for doctoral dissertation on interactions between stimulants and alcohol as predictors of injury presentations to Emergency Departments.
2012 –present	Philippe Lucas, co-supervisor of doctoral dissertation on impacts of cannabis prescription on use of other psychoactive substances, Social Dimensions of Health Research program
2012 – present	Renee O’Leary, Social Dimensions of Health Research, supervisor doctoral dissertation on harm reduction potential of e-cigarettes
