RE: Access to FAST Suspended

University Systems is currently investigating an issue with FAST that is causing some computers to report a virus infected file(s) when specific reports are opened. Access to FAST has been suspended while we investigate. An updated message will be sent out once we have more information.

If you have any questions or concerns, please contact your desktop support staff or the Computer Help Desk at helpdesk@uvic.ca or (250) 721-7687.
